

NOTICE OF HEARINGS
FOR BOARD OF ADJUSTMENT

A Variance hearing, followed by two Conditional Use Permit hearings, will be held at the Hyde County Memorial Auditorium East Wing in Highmore on Tuesday, February 5, 2019 at 1:00 p.m. Disabled individuals wishing assistance should contact the Hyde County Auditor's Office at 605-852-2519 24 hours in advance of the hearing.

Application V-2019-001 has been received from Triple H Wind Project, LLC. to construct 3 wind towers within Agricultural A-B. This application is necessary as the proposed towers are proposed to be within an area not specifically allowing wind towers as set forth in the Hyde County Zoning Ordinances. The proposed site is in Sections 2 and 11 of township 111 range 72.

Application CUP-2019-001 has been received from Triple H Wind Project, LLC to construct a 250 MW project in Hyde County. This application is necessary as set forth in the Hyde County Zoning Ordinances. The proposed project site lies in Townships 111 and 112 and ranges 72 and 73. A full map of the project area is posted at the Hyde County Courthouse Director of Equalization office.

Application CUP-2019-002 has been received from AT&T to construct a guyed communications tower. This application is necessary as set forth in the Hyde County Zoning Ordinances. The proposed site is in the SW ¼ Section 36 township 116, range 72.
